Note:

1. All first-year students are required to live in University Identified Hostels and are advised to sign 1year Contracts and deposit a copy of the agreement with the office of Dean of students.

2. Parents/Guardians are advised to call the landlords/caretakers whose details we have provided to confirm availability of space before paying.
3. Identified Hostels have beds and mattresses for students. Please do not buy or carry.
4. During long holidays each student shall pay **1,000/= per month** for the storage and security of Items in the hostels.
5. Students are highly discouraged from looking for accommodation in the area called NO MANS LAND their security in this area is not guaranteed.
6. Parents are strongly advised that the University will not take any form of responsibility for the welfare of students living outside the identified hostels above.
7. Parents and students are asked to note that they should channel their inquiries regarding accommodation to the Dean of Students' Office or the Office of DVC-ARSA.
8. Note that Continuing students stay in these hostels therefore availability is on first come first served basis.
