NOTE:

1. All first-year students are required to reside in University-identified hostels. Students are advised to enter into a one-year tenancy agreement with their respective hostel providers and submit a copy of the signed agreement to the Office of the Dean of Students.
2. Parents/guardians are advised to contact the respective landlords or caretakers using the contact details provided to confirm the availability of accommodation before making any payments.
3. The identified hostels are equipped with beds and mattresses. Students are therefore advised not to purchase or bring these items.
4. During long vacation periods, students who leave their belongings in the hostels shall pay a storage and security fee of **KSh 1,000** per month, payable directly to the respective hostel management.
5. Students are strongly discouraged from seeking accommodation in areas commonly referred to as "**No Man's Land**", as the University cannot guarantee their safety and security in such locations.
6. The University shall not assume responsibility for the welfare, safety, or security of students who choose to reside in accommodation other than the University-identified hostels.
7. All inquiries relating to student accommodation should be directed to the Office of the Dean of Students or the Office of the Deputy Vice-Chancellor (Academic, Research, and Student Affairs).
8. Parents and students are advised that some of the identified hostels also accommodate continuing students. Allocation of available spaces is therefore on a first-come, first-served basis.
